- State Accredited Middle College
- Earn up to 84 College Credits
- 5 year STEM Focused Curriculum
- Summer Internships Available
- Can participate in athletics/band/choir
- State Championship Robotics Team
- U of M, EMU and WCC Partnerships

Ypsilanti STEMM Middle College

The Ypsilanti STEMM Middle College, approved by the Michigan Department of Education, was developed in partnership with the Michigan Early/Middle College Association (MEMCA). Ypsilanti Community Schools and Washtenaw Community College have a formal agreement designed to allow a student of the STEMM Middle College to earn a high school diploma and either an associate's degree, the MEMCA technical certification or up to 84 transferable college credits at the same time. Students are enrolled in an intensive STEMM-based Michigan Merit Curriculum, where they are intensively supported and guided as they experience themselves as successful college-level learners.

STEMM = Science,
Technology,
Engineering,
Mathematics &
Manufacturing

MEMCA Technical Certifications Offered

- Certified Nurse Assistant (CNA)
- Computer Systems Technology (Fall '18)
- Construction Technology
