Mini-Grants

2019 Recipients

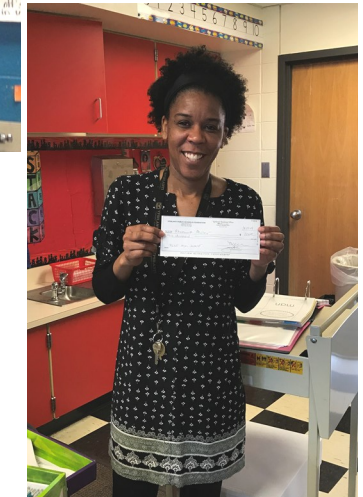

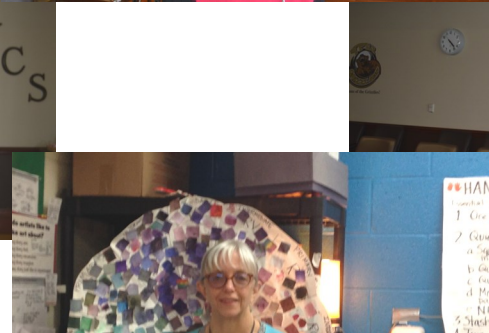

Students assisted with the Food Gatherers Program—Class members from Advanced Manufacturing

These students sorted over #1000 of perishable food items that were distributed to agencies across Washtenaw County. The students learned about warehouse logistics, organization, planning, and distribution. Being able to connect in-class learning to real-world applications provided relevance for our students.

2019 Mini-Grant Recipients

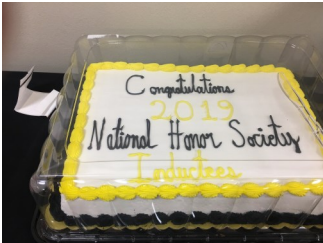

2019 Mini-Grant Recipients

National Honors Society: Our induction ceremony was May 8th. All new inductees got a pin and Seniors will walk with honor cords on commencement. The grant paid for those the pictured items as well.

YCS nurses took pictures of the items purchased with the grant funds
