COMMUNITY EVENTS

School and Community resources and events can be essential in helping the community and parents access assistance and expand their range of outlets of support to meet their needs. Community resources help build stronger, more resilient communities.

We at YCS want to share the events and resources that are shared with us. The act of sharing information alone is great for building rapport and relationships.

The following flyers are School Events, Community Events, and Resources

February Newsletter

Did You Know?

Did you know that learning to read is a challenge for almost 40 percent of kids? The good news is that with early help, most reading problems can be prevented. The bad news is that nearly half of all parents who notice their child having trouble wait a year or more before getting help. Unfortunately, the older a child is, the more difficult it is to teach him or her to read. If a child can't read well by the end of third grade, odds are that he or she will never catch up. And the effects of falling behind and feeling like a failure can be devastating.

Early identification is crucial. If you suspect a problem, don't hesitate! Learn about reading difficulties, get your child assessed, find out what you can do to help your struggling reader, and don't

February: A Month of Celebrations!

February is month of celebrations. It's often thought that a groundhog can reveal how much longer winter will last. This short month provides a special time to show affection with or without a Valentine. February also is a time to celebrate leaders, past and present; presidential or simply stalwart.

EMERGENCY NOTIFICATION SYSTEM

PLEASE SIGN UP TODAY!

YCUA is participating with Washtenaw County in utilizing its Everbridge Notification System. Everbridge is a secure and identity-certified communication service that allows public safety and service organizations throughout the county to connect with local residents over cell phone, email, and the internet. YCUA is utilizing this service for directly issuing emergency notices to impacted customers regarding water main breaks and boil water advisories. The Everbridge System will allow YCUA to directly reach out to enrolled customers regarding emergencies that impact their water service with current and detailed information.

Signing up for the service will also allow customers to stay up-to-date on happenings in their neighborhood through email and text messages sent by the Washtenaw County Sheriff's Office. Please visit www.washtenaw.org/alerts to sign up today!

Stay informed on emergencies that affect your water services

Water main break notifications and boil water advisories are sent directly to affected homes

Notifications can be sent to landline phones, cell phones, and e-mail accounts.

Registered users can also download the Everbridge app from Google Play or Apple Store.

Contact 734-484-4600 ext. 316 with any questions or concerns.

Do you have COVID-19 & don't have access to treatment?

The Health Department can help.

Get **FREE** treatment by joining COVID Plan4Health right away after testing positive. It's free, easy, and can prevent you from getting really sick!

Treatment may be especially important for people at high risk, including those:

- 50+ years old
- Not very physically active
- Who smoke or used to smoke
- Who don't have insurance or access to regular medical care
- Not up-to-date on COVID vaccines (including a bivalent booster)
- Who are overweight or obese
- Who have conditions like asthma, cancer, or diabetes

Free at-home COVID tests also available through COVID Plan4Health!

Join COVID Plan4Health

covidplan4health.org/wchd

You can also call 734-544-2963
or email np@washtenaw.org

You can also join if you don't have COVID!

Plan ahead by joining now so you can get treatment later if you need it.

This program is meant for Washtenaw County residents who are at high risk for severe outcomes from COVID and who don't have a regular health care provider and/or insurance. Those who have a health care provider should go to them for treatment. COVID Plan4Health is a partnership between the Washtenaw County Health Department and CareEvolution.
