

# The Education Project

The Education Project (EPHY) is a joint program of Washtenaw Intermediate School District and Ozone House working to ensure students in temporary living situations enroll, regularly attend and succeed in school. We serve children & youth, ages 0-21, from the 9 school districts and thirteen public school academies (PSA) in the county. Each district and PSA has a McKinney-Vento liaison and we work directly with them to provide supplemental services. Below is a brief explanation of the resources and supports the Education Project provides; please feel free to contact us with any other needs and we will work with you to access support. Our goal is to connect with any student or family within two business days of receiving a referral or message. Please do not hesitate to reach out if you haven't heard from us or are waiting on support.

### **Know Your Rights**

This form MUST be given to every eligible family and unaccompanied youth.

The McKinney-Vento Act guarantees that students in temporary living situations have equal access to the same free and appropriate public education provided to others.

\*McKinney-Vento Services are provided during the school year that the student qualifies.

Each year, students must regualify to receive services.\*

If you live temporarily in a shelter, motel, vehicle, campground, on the street, in abandoned buildings, or doubled up with relatives or friends, you are considered eligible for services under the McKinney-Vento Act. These students have the right to:

- Continue in their "school of origin" (the school they last attended when permanently housed or the school they last attended), if that is your choice and it is feasible, or attend the neighborhood school where you are currently living.
- Receive transportation to the school of origin if requested.
- Immediately enroll and attend classes without providing a permanent address, past school or immunization records, proof of guardianship, etc. You still must fill out enrollment packets.
- Receive free lunch.
- Receive equal access to education and support services and if eligible, participate in before- and after-school activities.

## When receiving services from the Education Project, you can expect:

- ► To be treated with dignity.
- To be treated as an individual with personalized needs.
- To have your privacy respected and protected.
- To be given a form to sign that gives our office permission to provide services and exchange

information with schools and relevant community agencies.

#### Services are enhanced when:

- Phone calls are returned promptly.
- We are given advance notice of requests.

#### It is your responsibility to:

- ► Call the school when you'll be absent.
- Call your transportation contact when arranged transportation (i.e., a cab) is not needed.
- Call us if you plan to move so we can help with any transition.
- ► Call us when your contact information changes.

We want to hear from you if you think your rights have been violated or you have a complaint about Education Project services. Your services WILL NOT be impacted when you lodge a complaint.

- Please call us and tell us your concern. We will work together on
- a solution. If your complaint is with
- a local school, we will follow district procedures to help resolve it.
- If you feel like your needs weren't met, you will be put into contact with our Supervising Grant Director, who oversees our office.
- If we are unable to reach a resolution locally, we will advise

how to file a written complaint with the Michigan Department of Education.

► If a student is determined to be ineligible for McKinney-Vento Services, the school will provide a written explanation of the denial.
