Ypsilanti Community Athletics Core Values
DIVERSITY: We embrace diversity and equity throughout our department. We will hire coaches, lead student-athletes and select teams without regard to race, color, religion, national origin, sex, disability, age, height, weight, marital status, sexual orientation, gender identity, genetic information, or any other legally protected characteristic. We recognize the need to work as a team while valuing each individual’s self-worth.

HIGH EXPECTATIONS FOR ALL: We are committed to excellence on the field, in the classroom and in our service to community.

STUDENT VOICE & EMPOWERMENT: Our students are the cornerstones of why we are here. We will encourage and empower our student-athletes to take an active role in their own success.

RESILIENCE: A loss on the field is inevitable. So it is our commitment to get back up, improve, and use that hurdle as a motivator for success. Students may struggle within the class, but we refuse to give up on them or allow them to give up on themselves. We are relentless in our pursuit of success in the classroom, on the field and in the community.

VIBRANT COMMUNITY & FAMILY PARTNERSHIPS: We are cooperative and coordinated in our efforts with our student-athletes and their families, coaches, staff, and the larger Ypsilanti community. Our passion for sport, education and community will be second to none.

CREATIVITY & INNOVATION: We seek out best practices, but will also be a trailblazer that creates or
redefines the standard. We will challenge the status quo by pursuing excellence through innovation and bold new ideas.

RESPECT: We will treat our students, parents, and community with dignity, kindness and respect.

EFFICIENCY: We shall at all times maintain a fiscally responsible and economically sound structure that provides the best environment for our student-athletes to be successful in the classroom, on the field and in the community.

**Athletic Director’s Philosophy**

We will pursue athletic excellence through commitment to the highest standards of integrity, ethics, and honesty. The athletic program shall recognize student-athletes’ academic pursuits first as a student and then an athlete. We encourage an atmosphere of fair play, sportsmanship, ethical conduct, in compliance with the Ypsilanti School District, the Southeastern Conference, and the MHSAA. Our athletic program is based on education with coaches as teachers. On the field of play we will give maximum effort and have a win first mentality. Our teams will respect all and fear none.

COMMUNICATION

Media Communication to All Stakeholders

Communication regarding schedules, cancellations, changes, upcoming athletic events, fundraisers and any other topic of importance to the Ypsilanti Community Athletic programs will stem from the Athletic Office through various media sources

- Website – ypsigrizzlies.com
- Remind App – Group Text and Voice messaging service
- Twitter, Facebook and Instagram

Athletic Department Conflict Resolution Process

- All complaints must be held at the lowest level possible BEFORE intervention by a higher authority can occur.
- A 24 hour “cooling off” period must be granted before any complaints are initiated.
- Complaints must be made within 10 days of the incident. The entire process of Conflict Resolution must be completed within 30 days.

Due Process

1. **Speak to the Source of the Issue**: The player will speak directly with the coach, player or other individual in which they have a problem with. This meeting should be done in private away from practice sites and game areas and should be conducted face to face. Students who feel uncomfortable speaking solely to the coach may request a parent to be present, however the meeting should be conducted by the athlete.
2. **Speak to the Head Coach:** This step is necessary only if the issue is in regards to another player, or lower level coach. If speaking with the head coach does not resolve the problem then the Head Coach should be notified and he/she should attempt to facilitate a solution. If the source of the issue is the head coach and he/she has been spoken to about this issue then move to step 3.

3. **Contact Athletic Director:** If an agreeable solution is not reached, then the Athletic Director will conduct a meeting between the parties in an attempt to find a resolution.

4. **Contact the Principal:** If an agreeable solution is not reached, then the Principal will conduct a meeting between the parties in an attempt to find a resolution.

5. **Notify the Superintendent:** At this point in the process individuals who still believe their disputes have not been resolved adequately can submit a written narrative of their complaint to the School Superintendent. A copy of this file will be given to all concerned parties, who will be afforded the option of written rebuttal. After the superintendent has reviewed the documents he can conduct a meeting in a final attempt to resolve the dispute.

6. **Request a School Board Mediation:** This final step is appropriate only in extreme circumstances and shall follow the same process laid down for the Superintendent.
Communication all parents can expect from their child’s coach or the Athletic Director

- **Team Itinerary** – Parents need to know the location and times of all try-outs, practices, games, bus trips, meetings, banquets, team camps, conditioning sessions, et cetera.

- **Team Rules**: Parents appreciate knowing not only the philosophy of the coach but also any team policies including consequences that the coach established to supplement the code of conduct, rules and regulations.

- **Criteria for Team Selection**: Coaches should develop and communicate criteria for team selection including objective criteria such as those measured by the stopwatch or skills completed as well as subjective evaluations such as attitude, effort, catchability, grades and potential.

- **Criteria for Earning an Award**: Coaches should determine and distribute written criteria to parents.

- **Injury**: Parents can expect to be informed immediately by the coach or team representative when an injury occurs that requires medical attention. Parents may contact athletic trainer for additional information on care.

- **Problem Behavior**: Coaches should call parents whenever an athlete exhibits atypical behavior and it persist longer than 48 hours.

- **Discipline** – The coach will inform parents within 24 hours of all discipline that results in loss of contest participation or removal from the team.
Communication Coaches Appreciate from Parents

- Schedule Conflicts: If a parent cannot contact the coach directly, leave a message with appropriate school personnel in a timely manner.
- Emotional Stressors: Coaches appreciate knowing about any unusual event in the life of a student athlete that is causing the student athlete additional stress.
- Volunteers: Coaches need help with so many aspects of managing the program (fundraisers, work projects, team dinners, awards banquet, et cetera) that they are always glad to hear from patents who have ideas and are willing to work for the team.
- Forthrightness: Every coach wants to resolve a conflict before it is taken to the Athletic Director, Principal or other higher authority or before it is discussed in the stands.

Appropriate Concerns for Parents to Discuss with Coaches.

- The treatment of your child
- Ways to help your child improve
- Concerns about your child’s physical health and welfare. Academic progress, or violation of the code of conduct

MHSAA RULES NON-NEGOTIABLE RULES

SUMMARY

1. AGE High school students become ineligible if they reach their 19th birthday before September 1 of a current school year.

2. PHYSICAL EXAMINATION Students must have on file, in the school’s office, a physician’s statement for the current school year (on or after April 15), certifying that he/she is physically able to compete in athletic practices and contests. An assumption of risk and consent to participation signed by the student and parent or guardian as well as consent to disclosure of Information otherwise protected by FERPA and HIPAA must also be on file prior to participation.

3. ENROLLMENT Students must be enrolled in the school they are representing prior to the fourth Friday after Labor Day for the first semester/trimester or second trimester or prior to the fourth Friday of February for the second semester or second or third trimester. “Enrolled,” under this rule, is receiving active credit in at least 66% of full credit load potential for a full time student of the school you participate for. (Generally 4 of 5 or 6 classes on a transcript awaiting grades).

4. MAXIMUM ENROLLMENT Students cannot be eligible in high school for more than eight semesters, or twelve trimesters and the seventh and eighth semesters or 10th, 11th and
12th trimesters must be consecutive. Students are allowed four first semesters and four second semesters or four first, four second and four third trimesters of enrollment and competition and cannot compete if they have graduated from high school or accepted a GED. Terms count to the allowed total whether or not a student participates in sports.

5. ACADEMIC RECORDS Students must have received credit for at least the equivalent of 66 percent of full credit load potential for a full time student in the previous semester/trimester of enrollment, and must be currently receiving credit toward graduation or a certificate of completion and passing the same on the transcript of the school they represent in competition. The MHSAA minimum period of ineligibility is 60 school days for a student who has not passed 66% at the end of a term.

6. TRANSFER STUDENTS Under the rules during the 2018-19 school year, a student in grades 9 through 12 who transfers to another high school is not eligible to participate in any interscholastic contest for a set period of time (nearly one half the school year) depending on when the student changes schools unless the student qualifies for immediate eligibility under one or more of 15 stated exceptions and their written interpretations. An otherwise eligible transfer student who changes schools after set dates may not be eligible for MHSAA Tournaments. (Oct. 1 for Fall sports, Feb. 1 for Winter sports, May 1 for Spring sports).
International students in the US on an F-1 or J-1 visa should contact the athletic director for allowances and differences under the transfer rule.

Under the Athletic-Related Transfer Rule, a transfer student who has played high school sports and who does not meet one of the 15 stated exceptions would be ineligible for 180 school days in that sport if the transfer is into a school where one of the following links existed in the previous 12 months: A student participated on a non-school activity coached, coordinated or directed by any of that high school’s parents or administrators or by any of its coaches. The student was coached by a former coach or personal trainer (school, non-school or out-of-season/summer) now on the staff of the new school; or the student attended an open gym at the new school. Under a rule known as an Athletic Motivated Transfer, an ineligible transfer student who is confirmed to have transferred for athletic reasons is ineligible to participate in an interscholastic contest for 180 scheduled school days for the school to which the student transfers.

Students and parents anticipating a change of schools should first seek advice from their high school administration. Effective Aug. 1, 2018 a Sport Specific Transfer rule affects students who change schools and do not meet one of the stated 15 Exceptions such as a full residential change. Starting Aug. 1, 2019, a student would have no eligibility for the upcoming season in a sport
actually played the previous season in that sport (participated in an interscholastic scrimmage or contest). Students who transfer during a season in which they are participating are ineligible for the rest of that season and they remain ineligible at all levels of that sport through the next complete season in that sport. A transfer student would have immediate eligibility in a sport not played the previous season for that sport.

A student who plays in a scrimmage or a contest this school year (2018-19) and transfers without meeting one of the 15 stated Exceptions such as a full residential change, will not be eligible in that sport for the next school year. Beginning next year (2019-20), a student would have immediate eligibility in a sport not played in high school the previous school year.

7. UNDUE INFLUENCE (Anti-Recruiting)
The use of undue influence by any person directly or indirectly associated with a student or school to secure or encourage the attendance of a student for athletic purposes, shall cause the student to become ineligible for a minimum of 90 scheduled school days and a maximum of four years. Adults who recruit because of sports face suspension or disconnection from the program for up to four years.

8. LIMITED TEAM MEMBERSHIP After practicing with or participating with high school teams, students cannot participate in any athletic competition not sponsored by his or her school in the same sport in the same season. Exceptions
include ice hockey and all individual sports, which apply the rule from the point of a student’s first participation in a contest or scrimmage, rather than practice. In tennis, the rule applies from the first date that competitions are allowed to commence for any player. In skiing it applies when the team holds its first scrimmage or contest. Students in skiing, hockey and soccer may only enter the MHSAA tournament if they have been a team member in a contest against at least four MHSAA member school teams. Students in individual sports may participate in a maximum of two (2) non-school individual meets or contests during the school season while not representing their school.

9. ALL-STAR COMPETITION Students who have represented any MHSAA school in competition in any MHSAA sport shall not compete at any time in any MHSAA tournament sport in all-star contests or national high school championships, regardless of the method of selection. Participation in an all-star contest shall cause that student to become ineligible for a maximum period of one year of school enrollment in that sport.

10. AWARD STATUS & AWARDS Students who have represented an MHSAA school in competition in any MHSAA sport can- not receive money or other valuable consideration for participating in MHSAA-sponsored sports or officiating in interscholastic athletic contests, except as allowed by the MHSAA HANDBOOK. Students may accept, for
participating in MHSAA sponsored sports, a symbolic or merchandise award which does not have a value over $25. Banquets, luncheons, dinners, trips and admissions to events, are permitted if accepted “in kind.” Awards in the form of cash, merchandise, certificates, or any other type of negotiable document are never allowed.

**MHSAA Concussion Protocol**

“Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate
health care professional.” The language above, which appears in all National Federation sports rule books, reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion. This language reflects an increasing focus on safety and acknowledges that the vast majority of concussions do not involve a loss of consciousness. This protocol is intended to provide the mechanics to follow during the course of contests when an athlete sustains an apparent concussion.

1. The officials will have no role in determining concussion other than the obvious one where a player is either unconscious or apparently unconscious. Officials will merely point out to a coach that a player is apparently injured and advise that the player should be examined by a health care professional for an exact determination of the extent of injury.

2. If it is confirmed by the school’s designated health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may reenter competition pursuant to the contest rules.

3. Otherwise, if competition continues while the athlete is withheld for an apparent concussion, that athlete may not be returned to competition that day but is subject to the return to play protocol.
a. The clearance may not be on the same date on which the athlete was removed from play.

b. Only an M.D., D.O., Physician’s Assistant or Nurse Practitioner may clear the individual to return to activity.

c. The clearance must be in writing and must be unconditional. It is not sufficient that the M.D., D.O., Physician’s Assistant or Nurse Practitioner has approved the student to begin a return-to-play progression. The medical examiner must approve the student’s return to unrestricted activity.

d. Individual school, districts and leagues may have more stringent requirements and protocols including but not limited to mandatory periods of inactivity, screening and post-concussion testing prior to or after the written clearance for return to activity.

4. Following the contest, an Officials Report shall be filed with a removed player’s school and the MHSAA if the situation was brought to the officials’ attention.

5. ONLINE REPORTING: Member schools are required to complete and submit an online report designated by the MHSAA to record and track head injury events when they occur in all levels of all sports during the season in practices and
competitions. Schools with no concussions for a season (fall, winter and spring) are required to report this at the conclusion of that season.

6. POST-CONCUSSION CONSENT FORM: Prior to returning to physical activity (practice or competition) the student and parent (if a minor student) must complete the Post-Concussion Consent Form which accompanies the written unconditional clearance of an M.D., D.O., P.A or N.P. This form should be kept on file at the school for seven years after the student’s graduation and emailed to or faxed to 517-332-4071.

7. In cases where an assigned MHSAA tournament physician (MD/DO/PA/NP) is present, his or her decision to not allow an athlete to return to activity may not be overruled.
HEALTH AND SAFETY OF STUDENT ATHLETES

Informed Consent – Assumption of Risk

Concussion Awareness
By its nature, participation in interscholastic athletics includes risk of injury which may range in severity. Although serious injuries are not common in supervised school athletic programs, it is impossible to eliminate the risk. Participants have the responsibility to help reduce the chance of injury. Players must obey all rules, report all physical problems to their coaches, follow a proper conditioning program, and inspect their own equipment daily. All athletes, parents and coaches must be aware of the signs and symptoms of concussion and the importance of discontinued participation in practices and competitions.

Insurance
Parents or guardians of athletes are required to obtain adequate insurance coverage for their children in the event of injury. All students participating in athletic events must carry some form of health or accident insurance.

- Ypsilanti Community Schools does not assume liability for injuries suffered by students while participating in athletic activities. The responsibility for the expenses incurred for athletics for doctors, ambulance, or medical expenses for injury must be assumed by the parent or guardian.
• The student athlete’s family employer’s insurance or private vendor health coverage insurance must provide coverage in case of any injury suffered while participating in athletics at Ypsilanti Community Schools.

**Physicals**

A physical form must be properly completed and signed by the parent/guardian and examining physician. This form shall be kept on file in the athletic office and on electronic file by the Athletic Trainer before a student may participate in athletic activities.

a. A physical examination given after April 15th is good for the following school year.

b. Physical examinations will be given free of charge to students at the RAHS clinic.

**Injury Policy**

**Injury Reporting:** Student athletes who are absent from practice due to extended illness or injury needs to report the injury to the Athletic Trainer.

**Release to practice/compete following an injury:** Any athlete who has sustained an injury must be released to return to competition or practice by the Ypsilanti Community Schools Athletic Trainer and or his/her M.D. or D.O. Release by M.D. or D.O. must be delivered in writing to the Athletic Trainer. If the Athletic Trainer feels the student athlete may be at risk of further, return may be withheld pending trainers consulting with team physician and/or athlete’s physician.
Athletic Trainers Role: The Athletic Trainer is responsible for injury prevention, care, treatment and rehabilitation of student athletes.

Athlete’s Responsibility: It is the responsibility of the athlete to follow the instructions of his/her physician, as well as the head trainer’s recommendations and directions with regard to an injury, it is his/her own responsibility to follow up with treatment as directed by the team trainer.

This would allow individual athletes and opportunity to excel in activities that will help both them and others grow and develop physically, socially and emotionally while at the same time helping the overall growth and development success of the entire team.

A parent/guardian of a student who wishes to participate in two sports should request a meeting with the student, the coaches of both sports, and the Activities director to discuss these wishes and review the following guidelines.

a. A written contract will be established wherein all of the above named parties may agree on training and performance requirements concerning the games and practices.

b. The athlete must choose his/her primary sport and would be expected to attend all practices and contest of the primary sport.

The student has 24 hours to get the card filled out to clear up discrepancies.

A player can be suspended indefinitely from athletic practice or competition for disciplinary reasons by way of the coach, athletic director, principal or superintendent’s decision.
