June 5, 2017

Dear YCS Families,

As a district, we provide sex education to our students. In order to ensure compliance, we are recruiting new members of our YCS Sex Education Advisory Board to meet 4-6 times during the 2017-18 school year.

This board, in accordance with Current Revised School Code (PA 451 of 1976) and State School Aid Act (PA 94 of 1979) Provisions Regarding the Teaching of HIV/AIDS, Sex Education, Health Education, and Physical Education in Michigan Schools #380.1507, will fulfill the duties as follows:

(a) Establish program goals and objectives for pupil knowledge and skills that are likely to reduce the rates of sex, pregnancy, and sexually transmitted diseases. This subdivision does not prohibit a school district from establishing additional program goals and objectives that are not contrary to this section, section 1169, or section 1507b.

(b) Review the materials and methods of instruction used and make recommendations to the board of the school district for implementation. The advisory board shall take into consideration the school district's needs, demographics, and trends, including, but not limited to, teenage pregnancy rates, sexually transmitted disease rates, and incidents of student sexual violence and harassment.

(c) At least once every 2 years, evaluate, measure, and report the attainment of program goals and objectives established under subdivision (a). The board of a school district shall make the resulting report available to parents in the school district.

If you are interested in participating in the Sex Education Advisory, please complete the application found on the district website at www.ycschools.us by July 1st. If a paper application is necessary, please contact Kharena Keith at 734-221-1212.

Thank you,
