Dear Parents and Caregivers,

Thank you to all who have dropped off medications that may need to be given during the school day.

If your child has asthma, allergies or other conditions that require daily or emergency or as needed medications, we must have a YCS medication administration form completed by the doctor.

As a reminder, the school does NOT have any asthma rescue inhalers or fever reducer, headache, col/cough medications. We will contact you if your child is ill.

Please be sure that we have current contact information with a current phone number to be able to reach you to report illness or injury during the school day.

Thank you!
Linda
