One School, One Month, One Book!

In order to celebrate March is Reading Month, every student and staff member at Estabrook is reading the book, "Lemonade Wars". Every day, the whole school is shutting down for 20 minutes to listen to a chapter of the book being read aloud. Each day will be read by a different "mystery reader" and students will be able to guess who it is.

Make sure to ask your student about the book each day!

IMPORTANT REMINDER!

If your child arrives late for school, a parent or guardian is required to walk them into the school and sign them in on the computer in the office.

We appreciate your compliance with this important safety and security issue!
