Why choose YCHS Freshman Academy:

- Freshman Academy Bridge Program (includes team building activities, school tour, meet + greet)
- Collegiate and cultural field trips
- Hands-on learning experiences
- Cross-curricular learning
- Small learning communities
- Separate from the general high school population
- Working relationships with local colleges and universities
- Placed Based Learning
- Reading and Math Interventions
- Technology-driven
The Mission

The Freshman Academy will lay the foundation for students to successfully build their skill, will and character.

The Vision

To create a positive learning community through:
• Building strong relationships
• Life skills curriculum
• Creating academic accountability.

The Expectations

• Actively participate in the learning environment
• Invest in school culture through positive attitudes and regular attendance
• Work to develop problem-solving skills
• Appreciate and respect cultural backgrounds within the academy
