TEACHER OF THE YEAR Mr. Jeff Trax

Congratulations to Mr. Trax for being awarded the Teacher of the Year Award for the 2021-2022 school year.

And a special thanks to the Fahebnkrug family as our presenters of this year's award.

We now understand why so many students and families would call the office if they could not get into their art class on zoom.

No one wanted to miss Art Class!

With its extra set of wings, the dragonfly moves swiftly and lightly...first here, and a split second later there; taking off and landing in the blink of an eye, then hanging in midair until it executes another round of aeronautic gymnastics.

PRINCIPAL'S DRAGONFLY AWARD

Mrs. Jannifer Puckett-Newell

Thank you for being that
extra set of wings the
principal needed to
support the whole school.

PRINCIPAL'S DRAGONFLY AWARD

Mrs. Keely Ann Miller

Thank you for being that
extra set of wings the
principal needed to
support the whole school.

Just like the extra pair of wings enables the dragonfly to accomplish astounding feats...they were YC2S administration's extra pair of wings, enabling the school to accomplish educational excellence during the 2021-2022 school year.
