Why C-Squared?

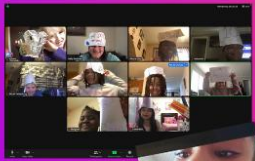

**YPSI CONNECTED
COMMUNITY SCHOOL**

Where students excel exponentially.

Why C-Squared?

MORE THAN JUST LEARNING

Our Parents

"Online school is convenient for our work schedules"

"The teachers are so supportive with helping my student!"

Our Students

"I like that my teachers is on zoom all day to help when I need it"

"I love the learning games and programs"

"Principal Ingraham is the kind of principal that is always there for us."

Our Staff

"We provide individualized learning paths along with live learning instruction!"

"We take pride in the connection we make with our students and their families!"

"There is no better job in the world than being invited into our student's homes to educate."

Our STUDENT PROFILE

Self-Directed & Mastery Learner

Productive Collaborator

Innovative Problem Solver

Culturally Responsive Citizen

Effective Communicator

personalized LEARNING

Personalized learning plans are developed with the intent of **identifying** the types of **skills students need** in order to **pursue** their academic **and** career interests.

We help **navigate** the steps required to **build** those skills, which may be attained through **traditional** educational pathways or through other **innovative** delivery mechanisms.

About Our SCHOOL

-  In-person learning activities
-  HMH Curriculum
-  Art, PE, STEM, Spanish
-  Small Group Instruction
